

## Our Activities

This collection of pictures is not supposed to show all of our activities, but to give an idea of the diversity of actions we take to inform people and raise money for our projects. We are happy about new ideas and help with activities, so feel free to contact us!

This page has been discontinued in 2014 - instead we post pictures on Twitter and Facebook. If you like online shopping use the chance to benefit our work with Boost - simple and effective!
